SPRINGBOARD

Blockchain Workshop
20th March 2018

IBM, Hursley Park, Winchester SO21 2JN

The End-to-End Value Chain initiative of The Consumer Goods Forum (CGF) is launching E2E Springboard in 2018. A new series of events and workshops that aim to showcase new technologies in a demo environment.

The first Springboard event will be organised by the CGF and IBM. Focusing on Blockchain, this workshop will allow participants to discuss aspects of consensus-driven processes and immutable databases in a collaborative and pre-competitive way.
