

SPRINGBOARD

3 & 4 DECEMBER 2018

Barcelona - Ciutat Comtal | i-Commerce

**Discover the value of new technologies
& connectivity and engage with the
experts in the field.**

Join our Winter Solstice Springboard workshop on Integrated Commerce (i-Commerce) organised by the CGF and partners. The workshop will focus on how Data, Artificial Intelligence (AI), Robotics and the Internet of Things (IoT) play together for a successful digitisation.

It is an exceptional opportunity to imagine the future of your business with the people who are developing it.

To join, email the team and we'll be in touch. Spaces are limited.
