SPRINGBOARD

SAPPHIRE

RIZING

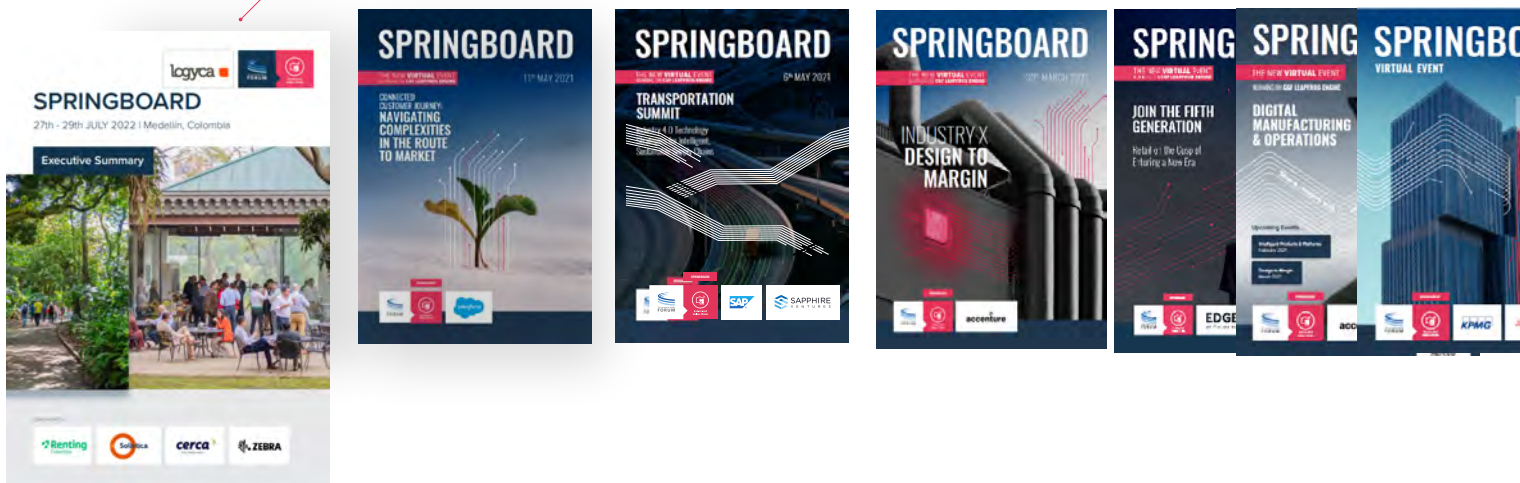

SpringBoard kindly
hosted by

SpringBoard Events are off-site events, hosted by member companies to provide hands-on experience of new technologies. The aim of these events is to **empower decision makers of retail and manufacturer** companies who want to enter discussions about the strategic implications of new technologies for their business.

**What will the impact of these technologies be?
Which process changes lie ahead?**

Some of the past Springboards

The Consumer Goods Forum (CGF) **Product Data Coalition** will meet in the afternoon from **2-4pm** at SAP office in Hudson Yards, NYC
