

## What Migros Ticaret does against the Covid-19 virus:

- After the declaration of coronavirus curfew in Turkey for people over the age of 65, Migros implemented several solutions for elder customers.
- Migros dedicated the timeslot between **9:15 AM and 12:15 PM for home deliveries** of their **customers older than 65** through their online channels.
- Migros is also providing **home delivery free of charge to the customers older than 60**.
- Along with these services, **number of customers in this age range, who are using online channels are tripled**.

- Through our **Migros TV channel**, sharing **informing and entertaining videos in collaboration with celebrities** such as recipes, performances of artists and training videos to motivate people at home.
