

What Migros Ticaret does against the Covid-19 virus:

- Together with the group companies, Migros Ticaret **donated 5 million TRY** to the **National Solidarity Campaign** conducted by the Presidency of Republic of Turkey to support the measures, implementations and fight against the Covid-19.
- Migros Ticaret also enriched the content of the **special boxes** produced for Ramadan, **containing main packaged food products** with a **discounted prices up to 45%**. Because of the need of this extra ordinary period, Migros Ticaret started to offer these food boxes before Ramadan.
- Migros Ticaret also installed a centralised phone line special for elderly customers' use. **Customers older than 60 can give their food box orders via this phone** number and they can **get these discounted boxes quickly with priority**.
